#### Color Choices:

- 01 Azul
- 02 Charcoal
- 03 Titanium (with Azul Accents)
- 04 Titanium (with Charcoal Accents)

## BENEFITS

It's all about clean drinking water. ION transforms ordinary tap water with CarbonPlus™, the latest filtration technology that reduces chlorine, taste, odor, lead, cyst, and more.

Just press a button and enjoy an endless supply of cold, hot or sparkling water. The CarbonPlus™ filter can produce enough water to replace 8,000 16 oz.. bottles.

Freshly filtered, instantly chilled.....**Only from ION.**

## STANDARD FEATURES

- **InstaChill™** - Every glass is freshly filtered and instantly chilled.
- **EZChange™ Filtration System** - Rated at 1,500 gallons for removal of chlorine, taste, and odor.
- **Plug N Play** - Easy setup in less than 5 minutes without removal of exterior panels (with water supply).
- **SleepMode** - Saves on energy, dollars, and extends the life of the appliance
- **Programmable Filter Monitor** - Gallon setting and time setting can be customized (contact factory for detail).
- **RapidHot™** - High capacity, scale-resistant hot water system. Adjustable to 190° F (90° C).
- **Dispensing Height** - 9" height to accommodate tall bottles and carafes.
